

# Mentee Sign-up Matching Round March 2025

We're thrilled to announce the Animal Behaviour Collective's second mentorship-matching event, following the success of our first event! This is a unique opportunity for you to meet and connect with experienced mentors from the field of animal behaviour.

The event will take place on March 26th at 14:00 GMT.

This event will be an informal "vibe check" where you'll get to meet different mentors in breakout rooms, each focusing on various mentorship themes. You'll have the chance to move around and interact with different mentors to find a match that best aligns with your interests and goals.

To help you get to know the mentors ahead of time, we will share introduction slides before the event. At the end of the event, you'll be asked to fill out a form to list your top 3 mentor choices, which we'll use to create mentorship matches that work for everyone.

**Please complete this form to let us know you'll be attending. We look forward to seeing you there and helping you find your perfect mentor match!**
